Who is this event for?

Remember when the vicar ate that frog... ?

If you are involved planning and leading informal worship with children and adults together, you may already have some great ideas up your sleeve - but are probably always on the look-out for more !!

This evening is an opportunity to pick up some new ways of sharing Gospel truths in school, holiday club or church.

- visual illusions
- funny stunts
- simple science tricks
- physical and interactive activities

Bring your own ideas and success stories to share with others too!!

What will the evening involve?

Refreshments to begin with and a chance to meet others with similar interests

Worship which will set the scene and remind us what it's all about!!

Demonstrations of some tried and tested ideas and stunts - all of them with a clear biblical application.

Discussion of "do's" and "don'ts" with experienced practitioners - and how to help people remember the message, and not just the frog!!

Sharing and learning with each other - and we're relying on some of you for the input to this part !!
